Welcome to this all group session demonstrating the nuts and bolts of a jam session. We'll start off with a couple impromptu songs, hear from instructors on jamming etiquette, take your questions and then witness how the group works up arrangements to a couple more bluegrass classics exploring the instrumentation, the lead and backup parts and lead and harmony vocal arrangements. Then we'll all learn the vocal parts together and warm up our voices before we head out to play and sing bluegrass. (Wildflower Pavilion)

### **11:00 - 12:30 Song Sessions**

Now that you've learned your vocal parts, in the Song Sessions we'll add the instrumentation and work up the entire song. These sessions are your chance to dig into the songbook and learn the parts to some classic bluegrass material. We'll look at both instrumentation and vocal arrangement, and work in big and small ensembles. During these sessions, you will have the opportunity to meet fellow students and learn from most of the Academy faculty.
